

Parent Awareness of SAFE ROUTES POLICY

A safe route policy has been established when dropping off and picking up children.

1. All children must be escorted into the building.
2. All children must be **dropped off** directly into their classroom by a parent or guardian.
3. Parents/guardians are responsible for their children until they are placed into the care of a teacher at the center.
4. No child may enter the building unattended.
5. No child may be left at the front or side doors
6. All children and parents/guardians must enter and exit by way of the front door during pick up and drop off.
7. All children must be **picked up** directly from their classroom by a parent or guardian.
8. Children will not be allowed to leave the facility unattended.
